

Regional High School, Middle School, and PLATO Summer Schools 2021

(Application must be returned to TST BOCES by June 25, 2021)

High School & PLATO Summer Schools (grades 9-12)

July 5 – August 11 (M-F)

Middle School Summer School (grades 6-8)

July 12 - August 5 (M-Th)
No Classes on: July 16, July 23, July 30

Location: DeWitt Middle School

Contact Information: Questions can be directed to Ruth Reeves (257-1551 ext. 2016). Principals this year will be Michelle Nolan (mnolan@tstbooces.org), Instructional Supervisor of RAS, and Kevin Casler (kcasler@tstbooces.org), Instructional Supervisor of CTE and Jeff Podolak (jpodolak@tstbooces.org) CTE/RAS, Dean of Students, Summer School Principal. Supervisors for summer school are David Barr, Assistant Superintendent for Student Services (ext. 5000), and Cindy Walter, Executive Director of Career Education (ext. 2000).

Registration: Summer school registration begins May 3, 2021. Students must register for classes with their school counselor at their home schools. All course registrations must be completed and returned to TST BOCES by 3:00 pm on Monday, June 28, 2021. There will not be any on-site registration. NO EXCEPTIONS!

Drop Deadlines:

High School & PLATO Summer School (New/Review classes): July 12

Middle School Summer School: July 16

Attendance: New York State Education Law requires 45 hours of instruction to be provided for each two-hour summer school class and 90 hours of instruction for each new full-year course in summer school. The summer school schedule allows very little leeway for student absences and/or tardiness. Attendance is mandatory and punctuality is essential. Regular, punctual attendance is expected of all summer school students and is directly related to success in summer school. On the third absence from a class (excused or unexcused), the student will be dropped from the course and no credit will be granted. Two instances of tardiness under 15 minutes will be counted as one absence. Additionally, each tardy over 15 minutes will be counted as an absence. ***Please schedule family vacations, summer camps, and any other summer recreational or student work activities around the summer school schedule.***

Parking, Pickup and Drop-off: Parking will be available for students who are driving to DeWitt Middle School. Use of the parking lot is a privilege that will be revoked if it is abused in any way. Parking, pickup, and drop-off should be done only in accordance with posted campus traffic signs. Check with your home district to see if bussing to summer school is provided. Please use the parking lot to the right of DeWitt Middle School for parking, pick up/drop off.

Texts, Materials and Food: The summer school program will supply most texts and materials. Depending on the course, it may be necessary for students to individually purchase personal school supplies. Students may bring in their own food/snacks.

Grade Reporting: There will be two marking periods for all Middle School, High School, and PLATO students. Mid-session grades are determined July 22 (MS) and July 23 (HS & PLATO) then mailed home by July 30. Final grades are calculated August 5 (MS) and August 11 (HS & PLATO) with grades being distributed to district school counselors by August 19 (MS) and August 16 (HS & PLATO).

Students are informed of their summer school grades by their teachers but all final grades for summer school courses will be sent to your district's school counselor for determination of credit based on the district's policies regarding summer school courses. Keep in mind that schools may calculate summer school grades differently so actual student grades will depend on the calculation method used by your district. Questions about final grades should be directed to your district's school counselor.

Code of Conduct: Summer school is a privilege. Summer school is a second opportunity for students to earn course credit for courses failed during the regular school year. There is no tolerance for misbehavior, inappropriate language, and disrespect. Students who attend summer school and their parents must agree to the Code of Conduct. You are expected to maintain reasonable and respectful conduct while in summer school. Failure to do so will result in suspension from a course or the program.

No outside visitors are allowed on campus during summer school. Only students registered for summer school are permitted to be on campus during their class times. Violators will be asked to leave, and police will be notified in cases of noncompliance. Behavior that endangers the safety, morals, or welfare of others, including but not limited to: selling, using or possessing alcohol, tobacco, drugs or its imitation and drug paraphernalia, selling, using or possessing weapons, fireworks, or other dangerous instruments or contraband, selling, using or possessing obscene materials, using profane, vulgar, or abusive language (including ethnic or racial slurs), fighting, gambling, hazing, engaging in lewd behavior, will result in removal from the program. TST BOCES does not permit the use of any drugs, alcohol, or tobacco products anywhere on school grounds including cars in the parking lot. Failure to adhere to this regulation will result in immediate dismissal from summer school.

COVID Precautions: Student safety remains our top priority. Although many COVID regulations have changed over the 2020-21 school year, TST BOCES' programs will continue to require:

1. Masks over nose and mouth for all employees and students while inside the building unless eating.
2. 3 feet of distance between all individuals when indoors
3. Disinfection of surfaces and shared supplies like computers between sessions.
